

Infinite™ Data Centre Solution

Features

- 19" rack mount MPO high density solution
- Unique tool-free installation design for easy and fast assembly
- Simple in design
- 1U has a maximum capacity of 144F(LC)

High Density MPO Solution

Specification

Items	Parameters
Dimensions (W x D x H)	483mmx222mmx44mm
Fiber count	144F (LC)
Available interface	MPO to LC
Fiber type	Singlemode / Multimode (OM3, OM4)
Operating Temperature	-20°C~+55°C

Order Information

Part number	Description
MPO2531	High Density MPO Solution
